

The Avalon Home and Land Owners Association

TENNIS COURT RESERVATIONS FOR RESIDENTS

AHLOA Special Committee members Dave Knoche and Chris Branda held several meetings with Council President Charles Covington and Recreational Director Dave Haberle, and subsequently with Councilwoman Dr. Nancy Hudanich and Councilman Dave Ellenberg which resulted in the formulation by Dave Haberle of a procedure that can be easily administrated and which will give Avalon property owners priority to make advance court reservations at the 39th Street tennis facility. Borough Council has adopted this by resolution.

AHLOA commends Dave Haberle for his diligent and enthusiastic efforts in formulating the new procedure and expresses its sincere thanks to Borough Council for recognizing the merits of the proposal and the benefit to Avalon property owners.

2010 TENNIS PROCEDURE

1. Taxpayers must submit proof of ownership (e.g. tax bill and photo I.D.) to staff to establish their right to priority:
 - when purchasing a permit, or
 - if they do not purchase a permit, when they make an advanced reservation. You do NOT need a permit to take advantage of the priority system.
2. Staff will make a photo on site, and attach it to the permit, or a sheet identifying the taxpayer.
3. Staff will create and maintain (2) books, one for permit holders in which Avalon taxpayers will be identified by a different color permit than non-taxpayer permit holders, and the other for non-permit holders who are Avalon taxpayers.
4. The doors will be opened at 7:00AM.
5. From 7:00AM to 7:15AM, (or, if later when all Avalon taxpayers have been served), taxpayers may make advanced reservations in person for the following day.
6. Thereafter, all other in-person reservations for the following day will be taken.
7. After 7:30AM, phone-in reservations by permit holders will be accepted for the same day and next day.
8. All permits must be purchased during the season at 39th Street. Preseason permits may be purchased during times to be specified, or by appointment after the Tennis Resolution has been passed by Borough Council.
9. On Memorial Day and July 4th weekends (2) staff members will be on the morning shift to handle the permit process
